About This Workspace

Welcome to Cairo Studios, nestled at 4 Nile Street, Old Street, where creativity meets history in a vibrant blend.

Once the production hub of the iconic British satirical puppet show Spitting Image and the innovative development space for Jamie Oliver's 'Fifteen', our offices have been transformed into architecturally designed warehouse-style spaces. You'll find a blank canvas on the second floor awaiting your inspiration, complete with a meeting room, fitted kitchenette, and two demised W/Cs. Featuring original warehouse accents, exposed services, and double-glazed Crittal windows, our location marries modern amenities with historic charm.
