## What's Included In Your sub800 Workspace?

### Dedicated Concierge Service

Our concierge team are on hand to support your team. From arranging dog walking to ordering a cake for a colleague's birthday, we are here for it all...

### Delightful Refreshments

Enjoy refreshments delivered to your office, with a selection of healthy and indulgent snacks to give your team that energy boost and make their day.

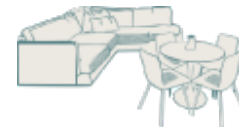

### Connect With Others

Connect your business to those around the world and access our advanced technology offerings to bring your business to life.

### In House Cleaning Services

Allow the sub800 cleaning team to ensure your office is always in the right condition. Our cleaning saves you time arranging cleaning or doing it yourself.

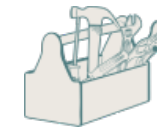

### Bespoke Furnishing

With branding on walls and cushions to match your brand colours, we think of every detail to make sure your workspace impress all that enter.

### Health and Safety

Our team retrieve all fire safety information and communicate this to your team, ensuring you are aware of the safety measures in your workspace.

### Maintenance Support

sub800 provide your business with support for basic maintenance requests. From hanging up new pictures on the walls to simply changing a lightbulb.

### Member's Club Partnerships

sub800 work in partnership with some of the top Member's Clubs to give your business access to external meeting space, events and a place to bring guests.
